

Yorkton Alliance of Asset
Champions

Youth Recognition Nomination Form

The Yorkton Alliance of Asset Champions is committed to building assets with and for youth in the city of Yorkton to ensure that all young people thrive. We are dedicated to developing a community where all adults, children, and youth are valued equally.

Do you know a youth in your life or your community that deserves to be recognized for making a difference? Perhaps they are involved in volunteerism, or they are a positive role model, a good friend, a leader or hardworking and dedicated. Please nominate them for Youth Recognition from the Yorkton Alliance of Asset Champions. By nominating them you are recognizing that they embody the spirit of community. They will be recognized on our website, as well as through local media and they will receive a token of appreciation from us for being a valued member of our community.
